Wilderness Day Camp

CEF Wilderness Day Camp's motto is "camp is for the camper".

We offer a 5-day outdoor program for boys and girls that have completed 1st grade through age 12 and a 3-day teen program for 13 year olds.

In the regular camp we incorporate God's Word, Missionary Story, wood craft, swimming time and fun activities into an exciting week of outdoor experiences.

Our teen camp is Monday, Wednesday and Friday which consists of bible devotions, mountain hiking, mountain trail biking, and kayaking. For more information you can call the camp director, Pastor John Dik (207) 398-3574.
